9. PS 3, in concept design, site identified, land acquisition required. (ECC, overcrowding).
10. ESHS, Academies, modernizing and new HVAC plant, (Overcrowding, Health and Safety, dependant on new and swing space).
11. HARP, site identified, land acquisition required, (Overcrowding, Swing, HS cohort Retention)
12. PS 19 conversion to ECC. (a new PS19 is required for the existing population).
13. PS 5, construction documents completed, (Reconfigure for ECC and Kindergartens, swing space required).
14. PS 6A, campus concept, new elementary and middle school, land acquisition required.
15. Hinchliffe Stadium, Sports Business Academy, (Overcrowding and required playgrounds for downtown schools).

Notes:

Must focus on land acquisition.

Overcrowding is everywhere.

Many existing buildings are not maintainable and require gut rehabilitation.
